# A complete, premium cladding system without the premium price

QuickPanel® Systems are designed to revolutionize an industry dominated by tradition and deliver a premium product without the premium price.

The complete QuickPanel® System addresses every element of exterior design and system delivery – to provide an affordable, lightweight, easy-to-install, elegant, durable, and most importantly, a superior integrated 4mm ACM Rainscreen System. System-wide drainage, circulation, and ventilation are integral to the system’s innovative design, to ensure the integrity and longevity of your building.

When you purchase the QuickPanel® System everything necessary to get the system up on the wall is included as one bundle. No need for specialized tools or labor. Plus, rest assured that QuickPanel® Systems deliver the most modern product features, and the most inclusive suite of services and resources on the market.

- ✓ Proven Performance & Warranty
- ✓ Innovative Design & Features Ensure Integrity & Longevity
- ✓ The Best Solid Color Matching in PVDF Paint

- ✓ No Exposed Fasteners
- ✓ Cut-On-Site System
- ✓ Installation Support Team

MODERN. AFFORDABLE. DURABLE.®

## Outlast & Outperform

### NO CHARGE SAMPLES

Request a QuickPanel® sample board for no charge, and have it shipped right to your door.

### INSTALLATION SUPPORT

A full project management and on-site installation training team is ready to assist in any way possible to ensure that every job is executed, not only correctly, but efficiently, saving you time and money.

### TOOL PACK

QuickPanel® Systems include a tool pack, inclusive of everything needed for installation.

### NO CHARGE ESTIMATES

Our in-house estimation team provides timely, accurate, and free take-off and cost estimates with purchase for QuickPanel® customers.

### PRODUCT & PERFORMANCE WARRANTY

QuickPanel® Systems are ultra-durable and backed by a long-term 15 to 30-year product and performance warranty.

# The most modern features on the market

## WIND LOAD TESTED

Proven performance in harsh weather conditions. QuickPanel® Systems withstands (ASTM E330) wind load tests exceeding 99.84 psf shielding your structure in the strongest winds.

## NO FACE FASTENERS

Deliver a smooth, clean, and modern aesthetic without unsightly face fasteners.

## FIRE RATED PANELS

QuickPanel® panels consist of two sheets of coil coated 3000 series or 5000 series alloy aluminum bonded to a mineral filled fire resistant (FR) core.

## EZ.LOCK®

EZ.Lock Trim Technology allows everything to be measured and cut on-site eliminating the need for any off-site fabrication, and makes installation fast and easy.

## UV PROTECTED

QuickPanel® panels are sealed with paints specially formulated to defend long-term against ultraviolet (UV) radiation, staining, dirt, chipping, peeling, and fading.

## EZ.SLOPE®

This patented technology provides revolutionary water-management and drainage to reduce your total maintenance time and cost.

## COMPRESSION ASSEMBLY

QuickPanel® Systems can accommodate up to 5/8" of building compression between floors.

## COLORMATCH™

QuickPanel® Systems are only limited by your imagination, offer a wide-range of standard color options, and can easily accommodate custom colors.

Designed by Architects. Engineered by Building Scientists. Proven by Installers.™
