

QuickPanel®
Systems

Redefine Modern Homes

with **QuickPanel®**

QuickPanel® Systems lightweight, easy-to-install ACM panels make a superior choice for modern residential properties. Our integrated pressure-equalized rainscreen protects your home's exterior from weathering, with system-wide drainage channels, circulation and ventilation extending longevity and curb appeal. QuickPanel® Systems has a multitude of colors and finishes available to suit any discerning taste. Our extensive collection provides endless options to introduce a complete transformation or just a few statement accents, making QuickPanel® Systems the perfect solution for you.

No Charge Samples

Request a QuickPanel® sample board at no charge, and have it shipped right to your door.

No Charge Estimates

Our in-house estimation team provides timely, accurate, and free take-off and cost estimates with purchase for QuickPanel® customers.

Installation Support

A full project management and on-site installation training team is ready to assist in any way possible to ensure that every job is executed efficiently, saving you time and money.

Product & Performance Warranty

QuickPanel® Systems are ultra-durable and backed by a long-term 15 to 30-year product and performance warranty.

BUILDING PRODUCTS™

QuickPanel®
Systems

Modern Innovation. Ultimate Durability.

Designed by Architects. Engineered by Building Scientists. Proven by Installers.™

Wind Load Tested

QuickPanel® Systems withstands (ASTM E330) wind load tests exceeding 99.84 psf shielding your structure in the strongest winds.

No Face Fasteners

Deliver a smooth, clean, and modern aesthetic without unsightly face fasteners.

Fire Rated Panels

QuickPanel® panels consist of two sheets of coil coated 3000 series or 5000 series alloy aluminum bonded to a mineral filled fire resistant (FR) core.

Ez.Lock®

EZ.Lock Trim Technology allows everything to be measured and cut on-site eliminating the need for any off-site fabrication, and makes installation fast and easy.

UV Protected

QuickPanel® panels are sealed with paints specially formulated to defend long-term against ultraviolet (UV) radiation, staining, dirt, chipping, peeling, and fading.

Ez.Slope®

This patented technology provides revolutionary water-management and drainage to reduce your total maintenance time and cost.

Compression Assembly

QuickPanel® Systems can accommodate up to 5/8" of building compression between floors.

ColorMatch™

QuickPanel® Systems are only limited by your imagination, offer a wide-range of standard color options, and can easily accommodate custom colors.
