

POWDER PERFECT™ SERIES

SEVEN NEW FINISHES. ONE FLAWLESS MATCH.

The EasyTrim Elegance Powder Perfect™ Series introduces seven new powder-coated finishes designed to match the most popular colors from the James Hardie® Statement Collection™.

Now Available in Arctic White, Cobble Stone, Monterey Taupe, Pearl Gray, Aged Pewter, Iron Gray, and Rich Espresso. Each finish is produced using an upgraded powder-coating process that delivers best-in-class durability, abrasion resistance, and long-term color stability, for a trim solution that aligns seamlessly with leading 5/16" fiber cement panels while providing a clean, cohesive exterior aesthetic.
