

POWDER PERFECT™ SERIES

SEVEN NEW FINISHES. ONE FLAWLESS MATCH.

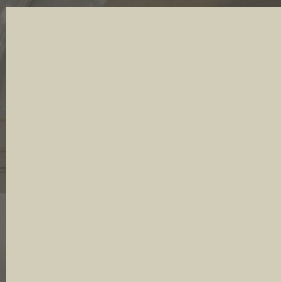

Perfectly Matched to What Architects Specify Most

The PowderPerfect™ Series introduces seven finishes precisely matched to leading colors from the James Hardie Statement Collection, creating a single, intentional system between trim and siding. Featuring the most durable powder-coated finish on the market.

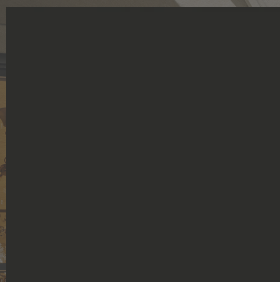

NOW AVAILABLE IN

Aged Pewter

Cobble Stone

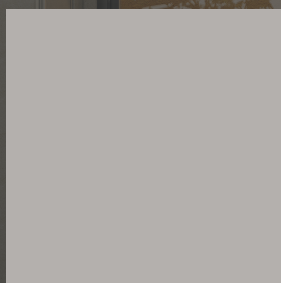

Iron Grey

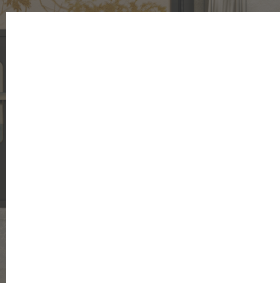

Rich Espresso

Monterey Taupe

Pearl Grey

Arctic White

PowderPerfect™ delivers a true color match with zero maintenance, elevating edges, framing architecture, and integrating seamlessly into the façade—resulting in crisp lines, cohesive elevations, and total design confidence.
